

# Potomac Valley Masters Swimming Committee (PVMSC) Meeting

June 23, 1996

## Chairperson Report

1. *Motion:* Approve last meeting's minutes. *Passed.*
2. The 800/1500 meet had 19 swimmers this morning.

## Treasurer Report

Balance sheet given to Chairperson. We had one returned check during this past period.

## Secretary Report

Nothing to report.

## Registrar Report

1. 1197 PV members registered as of 5/31/96. Number of registered swimmers through 5/31 in:  
1992 - 875; 1993 - 934; 1994 - 1024; 1995 - 1118
2. Attendance at past PVMSC meetings passed out (See Appendix A).

## Newsletter Report

1. Discussion arose whether to print meet entry forms from outside PV in our newsletter. We burden this extra cost for copying but the members benefit by receiving info on these meets. No immediate resolution.
2. We need a new editor. Thus far we have two volunteers.

## Sanctions Report

- A. 1996 Meet schedule passed out (See Appendix B).
- B. Teams wishing to print meet entry forms in the next newsletter should get them to Sanctions in July.
- B. Evaluators have been assigned as follows for the following meets:
  1. DCRP Long Course (Margot Pettijohn)
  2. DCM Long Course (Jeff Roddin)
  3. DCAC Columbus Day classic (Tom Denes)
  4. UMCY Turkey classic (Dave Diehl)

## Top Ten/Awards Report

- A. Short course yards' times will be submitted to USMS National office shortly.
- B. DCRP never sent the corrected relays in from their January meet so those times will not be reported to the USMS National office.
- C. DCAC/DCRP never sent in the official documentation from their meet last summer for the relays which broke USMS World Records. Therefore those relays will not get credit for their records.
- D. Short Course Meters awards have been calculated. Awards will be mailed.

### Officials

- USMS may change a rule which would require more certified officials to be on deck at meets. Most likely this rule would be phased in.

### Old Business

A. Convention delegates:

1. Debbie Morrin, Rob Whitters and Joann Leilich will represent Potomac Valley.
2. Dave Diehl & Lynn Hazlewood will be going as at-large delegates.
3. Budget shall be \$600 per person (this shall include the \$75 registration fee)

*Motion:* Approve the budget in item 3 above. *Passed.*

B. Rule change proposals at the Convention:

1. Change SCY relay age groups to be cumulative age (to be consistent with meters).
2. National Qual Times (NQTs): relax slightly.
3. Altitude adjustments for NQTs: use table in USS rule book.
4. Eliminate the 3 free events at Nationals (free as in not having to meet NQTs).
5. Eliminate enforcing the NQTs (leave it to the honor system rather than having to prove your times).

### New Business

A. Are there any former US Olympians in the PV region other than Jeff Kostoff?

B. Question whether to send Ann Svanson to the National Convention as a PV delegate even though she no longer lives in the area? Answer - No, since she is no longer an active participant in PV activities.

Next PVMSC meeting:

Noon, Sunday, October 27, 1996 at Dave and Pat Diehl's house.
